MoU with neighbouring Institutions and Industries

A Report by IQAC

The college IQAC in its meeting (held on 01-07-2015) adopted a resolution that reads: Making MoU with neighbouring educational institutions and industries to share knowledge, expertise and infrastructure resources.

The college IQAC implemented the Resolution and achieved its expectation as under:

- The college signed MoU with well reputed colleges in the city for the use of their infrastructure especially library facility by our teachers and students.
- The college signed MoU with local Industries that enables the students to visit those industries to get practical knowledge of the functioning of industries and the same information is used for their research papers.
- The MoU with other institutions enabled the teachers and students to visit the reputed and well established department of other institutions and availed their facilities for research purpose.
- The college strengthened its collaboration with industry by signing MoU with a few industries for mutual cooperation.
- The college students visit the industries which signed MoU with the institution to get practical knowledge about functioning of industries and making project works.
- Under MoU, a few industries agree to provide job to the students from the college.

Details of MoU signed by the college:
